

**Third US GLOBEC Pan-Regional Synthesis Workshop**  
**17-20 February 2009**  
**NCAR Center Green Facility (CG1), Boulder CO**

Pre-Workshop Web materials  
(password protected)

PRS project descriptions with references  
Regional synthesis materials (if any)

Tuesday, 17 February

- 0900 Rooms available (by arrangement) for pre-Workshop meetings (RSVP)
- 1400 Registration desk opens
- 1500 **Executive Committee (= SCS members in attendance) meets** to review program
- 1600 Plenary talk: **Results From Comparative Studies within GLOBEC: Examples from SPAC, CCC and ESSAS** (Ken Drinkwater)
- 1730 Reception and poster viewing

Wednesday, 18 February

- 0830 Welcome / Introductions / Workshop purpose & outcomes (**Haidvogel**)  
Opening remarks on Education and Outreach (**Mountain**)
- 0900 The Building Blocks: Regional Synthesis Efforts (key features of the observations; what has not yet been explained; key challenges to the modelers)
- Northwest Atlantic / Georges Bank (**Davis**)
  - Southern Ocean (**Hofmann**)
- 1000 Break
- 1030 The Building Blocks: Regional Synthesis Efforts (key features of the observations; what has not yet been explained; key challenges to the modelers)
- California Current System (**Batchelder**)
  - Coastal Gulf of Alaska (**Batchelder**)

- 1115 The Building Blocks: Funded PRS projects ([Lead PIs](#); project goals, big science questions, people involved, data/models to be used, etc.; 20 + 5 minutes)
- [Peterson/Batchelder](#)
  - [Botsford](#)
- 1205 Lunch (NCAR cafeteria)
- 1315 The Building Blocks: Funded PRS projects, continued
- [Capotondi](#)
  - [Davis](#)
  - [DiLorenzo](#)
  - [Gifford](#)
- 1500 Break
- 1530 The Building Blocks: Funded PRS projects, continued
- [Haidvogel/McGillicuddy](#)
  - [Gangopadhyay](#)
  - [Milliff](#)
  - [Runge](#)
- 1710 End of day ([Executive Committee meets](#))
- 1730 Social hour and sub-group discussions

Thursday, 19 February

- 0830 Data talk and discussion ([Wiebe](#), [Batchelder](#))
- 0915 Panel Discussion: Synergies with emerging programs: BASIN, IMBER, ESSAS, ICED, CLIOTOP, CLIVAR, FUTURE ([Hofmann and Panel Members](#))
- 1030 Break
- 1100 Considerations for ecosystems-based management ([Fogarty](#))
- 1130 Setting of goals for Pan-Regional Synthesis ([Powell](#))
- Where we “want to be” at the end of US GLOBEC
  - Cross-cutting themes
  - Discussion of possible working groups

1230 Lunch (NCAR cafeteria) (**Executive Committee meets over lunch**)

1330 Charge to working groups (**Powell**)

1345 Working groups meet

1700 End of day

1730 Social hour and sub-group discussions

Friday, 20 February

0900 Reports/recommendations from the Working Groups, followed by Discussion

1030 Break

1100 Plenary session: Looking ahead (**Haidvogel**)

- Inter-project communication
- Pan-Regional Workshop 2010
- Final Symposium 2011

1200 Adjourn

1230 **Executive Committee** meets over lunch to review action items
